**The biggest names in automotive lifts are behind our safety label.**

To ALI's member companies, an automotive lift isn't just a tool in the garage trade - it's a vital piece of safety equipment. That's why you should insist that every lift on your shop floor has a genuine ALI-Certified Label.

To view our Directory of Certified Automotive Lifts, contact an ALI member company, or to order our current Quick Reference Guide for Vehicle Lifting Points, Call 607.756.7775 or visit us at
